

Payne Whitlock

Name of Website: Basketball Junkie

Description: A basketball analytics page providing statistical insight of the best players in the world. Our site offers detailed analysis on player performance looking into *points per game*, *shooting accuracy*, and *defensive statistics*. Users will be able to explore different shooting charts, and graphs that highlights a player's trends and comparisons among the rest of the league. Furthermore, Basketball Junkie provides up to date historical milestone accomplishments. Basketball Junkie will be the go-to source for all your basketball stats.
